Old Business

- It was decided that in order to encourage residents to decorate with lights during the winter holidays, donated lights would be made available to residents. In November a notice would be placed in the Sea~Ha Runner announcing that lights would be available to residents.
- Pam reported that she contacted Nichole Howe, the new Tribal Events Coordinator, and invited her to a KRA Board meeting. She was unable to attend April's meeting but expressed an interest in attending May's meeting. We hope to explain what we want to accomplish at the Restoration Silent Auction and at future events. It was agreed that we would cancel May's Board meeting if Nichole is unable to attend. Pam agreed to email Nichole and let the Board know if she's available in May.

New Business

- It was agreed that the Garage Sale would be held again in August and that it is scheduled to coincide with the arrival of dumpsters for leftovers.
- There has been no KRA email activity.
- Derek Mollier spoke to the Board regarding a Tsunami Drill scheduled for June 12th around 3:00 p.m. The date will be announced in the Sea~Ha Runner. The Board expressed concerns regarding the safety of non-mobile residents. The possibility of finding out which residents will require assistance during an emergency and which residents might be able and willing to assist those who need help was also discussed, in light of the fact that residents have been told cars should not be used. Perhaps a questionnaire might be included in the Sea~Ha Runner.

Public Comment
