Annual Kilkich Community - Wide Garage Sale August 17th and 18th

The annual Kilkich community-wide garage sale will be held on Friday August 17th and Saturday, August 18th.

Kilkich residents are encouraged to host their own yard sale during these two days; this is a fantastic opportunity to sell items you no longer need, want, or use.

The community-wide garage sale usually draws a large crowd of shoppers. Expect heavy foot and vehicle traffic during the entire event.

The sale will be advertised in local newspapers and media;

a large directional banner will be hung at the entrance to Tribal Lands.

The garage sale will begin at 9:00 a.m. both days - rain or shine. Expect early morning bargain hunters each day.

The Kilkich Residents Association (KRA) will hold a drawing again this year for all homes actively participating in the garage sale.

Each winner will receive a \$25 gift card.

Two winning tickets will be drawn on Monday, August 20th.

Each day of the garage sale, a KRA member, or representative, will visit each residence actively participating in the sale. **Each residence will receive a raffle ticket - one ticket per day, per address.** If multiple families are holding their sale at the same address, **only the resident of the garage sale address will receive a raffle ticket.**

If you have any questions, please email KRA at: kilkichresidents@gmail.com.

Host a yard sale to be entered to win a \$25 gift card. Winner will be drawn on Monday, August 20th.

Coquille Tribal Ordinance 650.620 states that “a person commits a fireworks violation if the person sells or uses fireworks within the lands of the Tribe, except as hereby provided:

1. Only those fireworks allowed by the State of Oregon are approved for use on Tribal Lands.

- 2. Fireworks may only be ignited during the 48 hours before the official holiday and for 24 hours after.
- 3. Official holidays during which fireworks may be ignited are the 4th of July and New Years Day.
- 4. Any person under the age of eighteen must have the immediate supervision of an adult.
- 5. Improper or unsafe use will result in the confiscation of all fireworks in the possession of the person by Tribal Police.

- 6. Tribal officials may make subsequent restrictions on the use of fireworks based on public safety, weather conditions, and fire concerns.
- 7. In addition, and not in lieu of any other penalty allowed by law, a \$50 assessment shall be paid to the Coquille Indian Housing Authority by any person found in violation of this ordinance.”
