

Coquille Indian Housing Authority  
Executive Director Performance Appraisal  
August 16, 2018

Goals for Next Year

- Continue to advocate for Market Rate Rentals and low income housing.
- Continue to partner with Tribal administration for First Time Homebuyers for down payment assistance to low income Tribal members.
- When funds allow advocate for a part time social worker to provide assistance to residents as needed.
- Discuss with CIHA Board progress of goals during the year, revisiting at least twice a year.
- Advocate for parking area for over income residents.
- "I would like to see less cars, boats, canoes, trucks, trailers, etc. in front yards."
- Advocate for an Elders meeting house on the reservation.
- Continue to search for funding for fencing backyards on the reservation.
- Advocate to have an evaluation of electrical use in all existing infrastructure to lower electricity costs.
- Advocate for change in Federal law to allow for medical marijuana (pharmaceutical-grade CBD, not THC) use on the reservation with valid doctor's prescription.
