Dear Chairperson Meade,

At its meeting held March 21, 2019, the CIHA Board asked that two items be referred to the Tribal Council for consideration. One was a petition presented by Kilkich Resident and Tribal member Alison Wasson Felton concerning the Ko-Kwel Wellness Center, which was delivered to you March 22, 2019. The second is a recommendation, made by a majority vote, that the residential area of Kilkich be private and gated from public access.

If you have any questions or need additional information, please feel free to contact me.

Sincerely,
