KRA Garage Sale Gift Card Winners *Congratulations**

Congratulations to Carol Arzt and John Garrett! Both Kilkich residents received a \$25 gift card from the KRA Board of Directors when their garage sale participation raffle ticket was randomly drawn.

During the August 9th and August 10th garage sale event, KRA handed out raffle tickets to all households actively participating in the sale. Each household that received a raffle ticket was entered into the random gift card drawing.

KRA would like to thank everyone who participated this year and hopes your sale was a success. KRA's proceeds will benefit the Kilkich community.

September is National Preparedness Month

The 2019 National Preparedness Month theme is "Prepared, Not Scared."

As the theme implies, be 'prepared' for any unseen disaster, not 'scared'.

If the thought of an impending disaster has you worried or the thought of being inadequately prepared has you feeling anxious, prepare NOW. It is as easy as following a list and putting together your supplies.

Emergencies can happen anywhere at anytime.

Prepare and PRACTICE what you will do in any emergency. Build on and update your plan, at the very least, on an annual basis.

Discuss the various disasters that could affect your family with your family, e.g., fire, earthquake, tsunami, power outage, terrorist attack, etc. Make a plan with your family on what to do in each emergency.

Begin by packing a "Go Bag" for every family member.

Your "Go Bag" should be with you wherever you are (home, work, vacation, etc.). If you don't know where to start, log on to:

<https://www.ready.gov/september>

There are also YouTube videos on the internet that demonstrate how to build a "Go Bag".

CIHA has educational material and local area tsunami evacuation route maps. Don't forget to plan for your pets; they'll need food and water also. If possible, stock up on essential medications.

The websites below provide additional disaster preparedness information and tips.
