CIHA Begins Phase 2 Operations June 15, 2020

Over the past month under its Phase 1 reopening plan, CIHA has fully restored its staffing levels and modified its internal processes to comply with CDC guidelines. As we move into Phase 2, we have the necessary precautions in place to safely resume other operations as well. Initially this will mean opening access to the office by appointment, scheduling deferred work orders, resuming the lawn equipment lending program, performing exterior maintenance inspections and tasks, and similar work that can be accommodated by health screening, social distancing, sanitizing, wearing protective equipment, and other recommended practices.

For now, we continue to encourage the use of remote communications to the extent possible. Staff are available by phone and email to assist with applications, income updates, scheduling work orders, and assisting with other needs. We hope to be able to offer additional electronic services soon.

Best wishes for a happy and healthy summer!

APPOINTMENTS NOW AVAILABLE

June 15, 2020

While we continue to encourage the use of remote communications to the extent possible, appointments to meet with CIHA staff are now available. To arrange entry, contact the staff member you wish to see at (541) 888-6501.

Feel free to use the secure drop box to the left of the door for payments, MHAP receipts, and other communications not requiring in-person contact. No cash please.

When arriving for an appointment, please perform the self-assessment detailed below before entering.

COVID-19 SELF-SCREENING PROTOCOL

Employees and guests should assess themselves for the following symptoms of COVID-19 before reporting to work or entering a CIHA building.

- A new fever (99.6°F or higher) or a sense of having a fever?
- A new cough that cannot be attributed to another health condition?
- New shortness of breath that cannot be attributed to another health condition?
- New chills that cannot be attributed to another health condition?
- A new sore throat that cannot be attributed to another health condition?
- New muscle aches (myalgia) that cannot be attributed to another health condition or specific activity (such as physical exercise)?

If you answered YES to any of these questions, you are kindly asked not to report to work or to enter this building.

If you answered NO to these questions, we encourage the use of a face mask or shield and hand sanitizer as you enter. While inside the building, we encourage you to minimize physical contact with surfaces and objects and that you wear a face mask or shield whenever you are unable to maintain less than 6' of physical distance from others.

If you would like additional guidance about COVID-19 symptoms and safety precautions, please visit the CDC website at www.cdc.gov.

If you have questions about accessing this building or other CIHA facilities, please contact CIHA staff at (541) 888-6501.
