Shores Acres will be dark this year due to COVID, but residents and businesses all over Oregon's coast are decorating and getting ready to light things up for the holidays. Pick up a "Christmas at the Coast Driving Tour" map from the Coos Bay and North Bend Visitor Information Centers to find out where to find light and Christmas displays in our communities. There are also a number of events scheduled throughout December for "Christmas at the Coast 2020". Log on to the website listed below for a description of each event and to print out a driving tour map.
