In case anyone is interested, here's a cultural event Coastal Celtic Society is sponsoring. Ilse de Ziah is an Irish cellist who teaches cello at Cork University in Ireland and Master Classes in Europe. Tickets are available from Black Market Gourmet or folks can call me at 541-266-8989. And I deliver tickets most anywhere in CB-NB. Tickets are going fast and there's a likelihood that the event will sell out.

Thanks! Bob
