# PUBLIC SAFETY BULLETIN

Please remember as you celebrate this 4th of July, that while fireworks are fun and exciting, they can be a fire hazard and safety concern if not handled properly.

Coquille Tribal Ordinance 650.620 states that “a person commits a fireworks violation if the person sells or uses fireworks within the lands of the Tribe, except as hereby provided:

1. Only those fireworks allowed by the State of Oregon are approved for use on Tribal Lands.
2. Fireworks may only be ignited during the 48 hours before the official holiday and for 24 hours after.
3. Official holidays during which fireworks may be ignited are the 4th of July and New Years Day.
4. Any person under the age of eighteen must have the immediate supervision of an adult.
5. Improper or unsafe use will result in the confiscation of all fireworks in the possession of the person by Tribal Police.
6. Tribal officials may make subsequent restrictions on the use of fireworks based on public safety, weather conditions, and fire concerns.

In addition, and not in lieu of any other penalty allowed by law, a \$50 assessment shall be paid to the Coquille Indian Housing Authority by any person found in violation of this ordinance.”

## MAJOR DMV HACK

On Monday, June 12, 2023, ODOT confirmed that the accessed data contained personal information for approximately 3.5 million Oregonians. While much of this information is available broadly, some of it is sensitive personal information.

The DMV does not have the ability to identify if any specific individual’s data has been breached. Individuals who have an active Oregon ID or driver’s license should assume information related to that ID is part of this breach. We recommend individuals take precautionary measures to protect themselves from misuse of this information, such as accessing and monitoring personal credit reports.
