**Subject:** Project APP-76084: Meter installed, permission to operate

Dear ANNE COOK,

We're pleased to notify you that a new meter has been installed and you may now turn on your system. Visit [Customer Generation](#) on our website to learn how to read your meter.

Here's your project information for reference:

- Project Number: APP-76084
- Address of Generation System: 801 MILUK DR, COOS BAY OR 97420
- Work Request Number: 7103952
- Site Identification Number: 939556986 001

Please do not reply to this email. If you have any questions, email [customergeneration@pacificorp.com](mailto:customergeneration@pacificorp.com) or call us at 1-800-625-6078.

Thank you for being our customer.

Sincerely,

Pacific Power
