# Native Education

"In 150 years, we moved from a foreign, abusive, violent structure to now, where maybe our communities have something to say about where education is going."

Anpao Duta Flying Earth-NACA Network Executive Director

According to the U.S. 2020 Census, California had a Native American population of 631,016 compared to Montana with a Native American population of 67,612. However, Montana boasts 7 accredited TCUs and California has ZERO.
